

## 2017 Taino & Maroon Cup Fixtures

**Game format:** *The official games will consist of two 15 minute halves. Following the official games, both teams will play an extra 15 period for boys/girls that did not play (or saw limited time) in the first two periods. This is being done in the interest of development and to get younger, less experienced players game time, while not impacting the outcome of the official score.*
